CSA Update

April 15, 2012

Almost 6 months of organic, healthy, local, fresh veggies coming up!

Spinach, kale, chard and lettuces ready to harvest! Asparagus and radishes will also be in our first pack. We have over 2000 feet of snap peas coming up and Andrew and Casey have the potatoes planted. We have 5 varieties of spuds this year: Yukon Gold, All Blues, Mountain Rose, Marie Whites and Austrian Crescent fingerlings.

Volunteers Planting and Transplanting

Over 1000 heirloom tomatoes and another 500 in peppers and eggplant babies were transplanted Sunday by Carrie, Doug, Sean and Madeleine. Our diehards Julianna, Kelly and Janna planted over 400 tomatoes in the south high tunnel.
